Public Speaks:

Sharon Roeck is a retired school teacher. She spoke about the soccer fields behind the middle school meets the back of her property. She spoke about the trees that are slated to be taken down for the tennis courts and pickle ball courts. She would rather the area be used as a mixed-use area.

Lynn Clark is a resident on Drank Drive. She talked about the water treatment plant that discharges on her property. Her front yard floods. She claims she will clamp the pipe if we don't get the problem fixed. She states the schools, city and county have all looked at the issue and no one has taken responsibility for whose problem it is.

Alex Shreiner is a resident on West Nimisila. He wants to thank the Board for the mask mandate and how in response to the increased number of cases. He thanked the teachers for their hard work. He asked about there only being 10 days left on the mandate and wondered if there would be an extension. Mr. Morgan responded that they will look again at the date on November 1 and a new communication will come out at that time as to mask mandate.
