REQUIRED TO READ: This form is to be completed ONLY when a student's parent(s) move from one school district/attendance zone into a different school district/attendance zone and this move compels a student to transfer schools. This form IS NOT to be completed when the student is the only individual who is moving. Furthermore, if the individual completing this form is a legal custodian of the student, then that information MUST be disclosed, and it is probable this form will not be applicable.

Instructions to Parents:

- Schedule a meeting with your school administrator and bring copies of the following documentation to leave at the school:
 - A copy of your lease or deed at your current address
 - An updated driver's license showing your current address
 - An updated voter registration showing your current address (Please note you ARE NOT required to vote, but you do have to be registered at your current address if a US citizen in order for the OHSAA office to restore eligibility for your child(ren).)
 - A recent utility bill showing your current address
- Complete all 29 affirmations contained within the affidavit in the presence of a notary.
Note: If only one parent in an intact family "makes the move," a presumption is created that "the move" does not meet the criteria of this Exception 1. Both parents, if married, must make the move into the new school district/attendance zone. If the parent completing this form is single either due to divorce, dissolution, never having been married or is in the process of having the marriage legally terminated, please provide an explanation on Item #6 of the affidavit and include the documentation of legal divorce/dissolution.
- Return the Affidavit and all required documentation (mentioned above) to your student's school administrator for submission to the OHSAA office. The OHSAA office will NOT accept submissions directly from parents.
- Understand that a school administrator has an obligation to independently verify the information contained in the affidavit. Therefore, he/she is expected to conduct periodic residency checks for one calendar year to ensure you maintain your residence. Failure to permit these periodic residency checks may cause the student's eligibility to be forfeited.

Instructions to School Administrators:

 - An updated driver's license showing the family's current address

 - A recent utility bill showing the family's current address
 - Separation/Disillusion/Divorce documentation (if applicable)
- Collect the affidavit and all required documentation and **conduct a residency check to independently verify the information** contained in the affidavit.
- After completing the residency check, submit the affidavit to the OHSAA office, Attn: Kristin Ronai via email at kronai@ohsaa.org.
- After approval (if applicable), continue to conduct periodic residency checks to ensure the family maintains their new residence for a minimum of one year.
